

BEARSDEN AND MILNGAVIE HIGHLAND GAMES SATURDAY 9TH JUNE 2018

The Bearsden & Milngavie Highland Games have again teamed up with the Wobbly Williams', who have to date raised thousands of pounds for Parkinson's disease. On the back of this, we hope to attract a number of major sponsors for the event.

In addition to traditional Highland Games events, we are holding the official World Haggis Hurling Championships, Relay Race and a Tug O' War Competition.

On behalf of the Games Committee, I am taking this opportunity to invite you to purchase trade-stand space at this year's Highland Games.

This year, the cost of trade-stand space remains at £6.50 per foot (Frontage). The depth will generally be 10ft however a larger depth can be arranged subject to agreement.

Registered charities will receive a 50% reduction on the fee.

IMPORTANT NOTICES:

Goldfish cannot be given out as prizes on any stand.

Candy Floss is included in the catering contract and therefore may not be sold on any stand.

A contract has been awarded for the sole rights to catering.

A contract has been awarded for the sole rights to ice cream.

Please complete and return the form to the undernoted address as soon as

possible.

Please note:

A cheque payable to BEARSDEN & MILNGAVIE HIGHLAND GAMES covering the cost of the stand must be included with the booking form (cheques won't be cashed until May).

If you are e-mailing your booking form, a cheque must also be sent separately to arrive before the 25th May.

Should you have any queries please do not hesitate to contact me.

I look forward to hearing from you.

Regards

Derren Urwin
