Traditional games with a modern twist

The Bearsden & Milngavie Highland Games started in 1973 as a small fundraising event, 50 years later it's now the biggest single day out in East Dunbartonshire.

With all the usual traditional highland games events and a few modern activities it's a great day out for all the family.

The event is organised and run by volunteers who give up their time free of charge and any profits made on the day are donated to our charity partner, Wobbly Williams / Funding Neuro.
